

JILLIAN
06/27/1989 – 06/11/2005

Jillian was diagnosed with Melanoma at age 11,
and lost her battle at age 15.

She Was An Avid Soccer Player

Towards the end of her courageous battle, she told friends.

**“I LOVE YOU GUYS,
DON’T EVER FORGET TO WEAR YOUR SUNSCREEN”**

Skin cancer is a threat particularly for soccer players and their fans because of the many hours spent under the sun, a major risk factor for developing Skin Cancer / Melanoma.
